## TRIO TOURS SCANDINAVIA AND EUROPE . . .

Summer Flight - 1963

Three Sons of Norway members Irene Lagergren, Betty McKeivitt and Peter Hansen enjoyed seven weeks of summer holiday travel in the Scandinavian countries and parts of Europe.

They left Edmonton's Nisku airport June 29 on board Wardair and arrived in Copenhagen, Denmark, about 20 hours later. Peter visited relatives in Copenhagen, while Irene and Betty made a sight-seeing tour of Kristiansand and Oslo, Norway by bus. They rejoined Peter in Copenhagen and called on Mr. Martin Skov and family. In Southern Denmark time was spent

visiting Peter's brother Paul Hansen, sisters Margaret Stmeritz and Karen Jakobson. In northern Denmark a visit with Peter's parents, a brother Mr. Eigil Hansen and family, and Mrs. Larsen.

The tour was continued by rented car through Sweden; Hamburg and Frankfurt, Germany; Zurich, Switzerland; Innsbruck, Austria; then into Italy — Cortina, Venice, Florence, Rome — here they went into the Vatican at "High-Noon" on Sunday and saw the Pope. They also viewed the leaning tower of Pisa and called at Savona, Italy. From Italy to Nice, France — had

a swim in the beautiful Mediterranean Sea — continued on to Lyons and Paris. In Paris they took in a few night clubs and enjoyed lunch in the Eiffel Tower. Three different elevators take sightseers to the top from which they can view the panorama of the city below.

The traveling trio included a trip over the English Channel to Maidstone, England, and London, visiting friends of Betty's. Here they saw Buckingham Palace — arriving a bit too late to see the colorful changing of the guards — the House of Parliament, Big Ben, and toured the Mall of Trafalgar Square.

The journey continued on to Haverfordwest, Wales, where Irene met a penpal of 20 years, Mr. Bernard Williams. Back again to London and on their return here they visited Woburn Abbey, the home of the Duke and Duchess of Bedford. This home had belonged to the family for nearly 300 years. Inside the building art and English china were on display.

Thence they went to Dover, by ferry to Calais, France. A short stay at Ghent, Belgium; on to Amsterdam, returning to Bremen, Germany and Copenhagen where the last week was spent. A lovely visit was spent with Hans and Karen Kristensen while in Copenhagen. The Kristensens and Mr. Skov having at one time been members of Solgylt Lodge, sent their greetings to the Lodge members.

Irene, Betty and Peter enjoyed the trip so much that they are looking forward to another in the future. The weather was good for the flights and the comfort and courtesy on board Wardair's plane were much appreciated.

### Copenhagen's Pampered Passengers

If you've been to Copenhagen's Kastrup Airport then you know what Scandinavian hospitality means.

Copenhagen's Airport, where the passengers are pampered with real Scandinavian hospitality, boasts more specially developed services for passengers than any other airport in the world.

Scandinavian Airlines System's "gateway" airport for Europe is located 15 minutes from the Danish capital. The giant airport offers two million annual intransit passengers everything from showers and cots for a between-flight snooze to supervised play-pens and cribs for younger passengers.

The airport's sensible accommodations have been lauded by the many passengers who took advantage of the services.

For instance, special airport cabins enable a tired traveller to catch a nap if he has a lay-over of several hours between flights.

Just beneath the information booth are these ten cabins, five on the ladies' side and five on the gentlemen's side. Each cabin contains a bed, lamp and telephone. Passengers can book a cabin at the information desk for \$1.55, take the much-needed nap and be summoned by telephone 45 minutes before the plane departs.

Right down the hall from the cabins are a series of spanking clean showers which also can freshen up the weary traveller (price 55 cents).

If there is not enough time for a long snooze the airport's balcony lounge can do for a cat nap. Here 16 Danish-modern cots (no charge), equipped with blankets and cushions, have given a lift to many a intransit passenger.

Among Kastrup's other features are special services for mothers travelling with infants.

In the nursery mothers will find separate rooms at their disposal equipped with toilet and basins for bathing babies plus all the accessories from diapers and baby powder to blankets and safety pins. Next to the play-pen is a couch for mother to rest on too.

Nearby is a supervised play-pen stocked with locomotives, cars, wagons, and a dachshund — on wheels.

The SAS baby sitting service even gives parents a chance to do some sightseeing or shopping between flights, while their children are fed and cared for by specialists. Another innovation at the airport is a "Kiddy Cart" big enough to accommodate an infant, as well as several pieces of luggage.

### Winnipeg Lodge Celebrates 50th Anniversary

The invitation to Strindberg Lodge No. 259 50th Anniversary, provided members of Skandia Lodge No. 549 with the opportunity of seeing the activities of Vasa Order of America in other parts of Canada, which was most outstanding and successful in every way.

Their drill team, consisting of men and women, magnificently initiated thirty-one candidates during their afternoon ceremony. Highlight of the evening was the presentation of 50 year pins to eight Charter Members, Amil Johnson from Edmonton being one of the recipients. It was most pleasing to see our Grand Master, Nils Johnson, having recovered to such an extent that he could attend their great event.

Outsiders seated at the head table were Grand Master, Nils Johnson and wife; Grand Deputy, Eric Pierre; District Master, Arvid Lax; District Master, Margaret Eliasson and Mons Eliasson. Members of Winnipeg were most gracious hosts in entertaining and making one welcome.

### S. A. Sorenson To Convene Scandinavian Hour

Mr. Sigurd Sorenson is the new Convener of the Scandinavian program heard on C.K.U.A. Radio, every other Sunday at 4:10 p.m. The Norwegian program is at 4:30 p.m. The next program will be September 29, continuing every other Sunday.

Mr. Sorenson is taking the place of Professor H. Tennesen for the present, as Mr. Tennesen recently met with an auto accident in Montana.

Mr. Sorenson would appreciate any suggestions for the program and would like to present live talent on the air.

### The Fish That Didn't Get Away!

While holidaying with his family at Seba Beach, young Jerry Hall-dorson, son of Mr. and Mrs. Harold Halldorson, caught a 27 inch white fish. He was fishing off the pier at the time.

Jerry was a proud and happy youngster displaying his catch. This was all just a bit disconcerting to the local fishermen who were complete with speedy motor boats, the latest in reels, lines and equipment, but no fish.

### VOLUNTEER HELP WANTED

In the last ten years many people have offered to help when construction begins on the Scandinavian Centre. The time has now come. Will you phone or write the office — GA 4-7311 - 600 McLeod

Building — NOW? Each volunteer worker will be paid in shares and not in cash. The more help of this kind we can get, the further our cash will go — the more of the Centre we can build.

## CENTRE BUILDING BALL . . . SEPTEMBER 28TH

## FROM THE SECRETARY'S DESK

BY S. A. SORENSON

### HARVEST TIME—

What time of year is more wonderful than harvest time? Four weeks ago my family and I motored 500 miles eastward across the Western plains and saw first hand the bountiful crops of wheat, oats, barley, flax and rape. The crops ripened early this year, and the weather has been favorable, so that there is no doubt that the entire crop will be harvested and stored safely away in granaries and elevators. What a fortunate people we are!

### TENDERS WILL BE OPENED OCTOBER 2, 1963

It is harvest time in the Centre too! After 10 years of sowing, we are about to erect the first unit of the Scandinavian Centre. Due to a delay in the preparation of plans, the date for tendering has been extended to October 2nd. It will be the duty of the directors and particularly the planning committee, to study the tenders carefully and award the contract. This can be done October 2nd. There will therefore be no reason why construction cannot be commenced immediately, and the building enclosed before winter sets in.

### SCANDINAVIAN LADIES' COMMITTEE MEET SEPT. 6

The ladies' committee of the Scandinavian Centre met on September 6 at the home of Mrs. Elsie Simmons. In attendance were H. A. (Gus) Hansen, assistant Social Director, Mrs. Bertha Rama and Mrs. Isabel Mjartveit. The ladies made detailed plans for the luncheon to be served at the Building Ball on September 28th. Open-faced sandwiches, kringle and coffee are on the menu. The ladies are to be complimented for entering wholeheartedly into the spirit of the "Building Ball."

### REGULAR MEETING OF DIRECTORS HELD SEPTEMBER 10

Here are the highlights:

- Share applications received and accepted from F. E. Mogenson, S. A. Madsen, M. S. Henriksen, C. M. Hansen, B. S. Hahn, J. Christenson, P. E. Larson, J. S. Vinkel.
- Purchase of cabinet and trays for mailing list approved at a cost of \$86.94.
- Request to City of Edmonton for 3 months extension on purchase of land.
- That a semi-circular driveway and walk to the front door of the Centre be built, rather than pay the City for a parking lot adjacent to the street.
- Gratitude was expressed to Mrs. Vera Nielsen for another profitable month for the Scandinavian Centre News — \$33.57.
- Volunteer labor offered by Chris Gehrt, Osias Sundby and Charles Jensen.

### THE MAILING LIST OF THE SCANDINAVIAN NEWS

My family and I spent 30 working hours on the mailing list during the past month. It involved going to the printers to pick up the plates, sorting these out, arranging them in alphabetical order and adding 321 names. We ordered steel trays and a cabinet from the Multigraph-Addressograph people and set it up at the Guardian Press where the paper is published.

I am very desirous that all shareholders get the Scandinavian News each month. Every month new shareholders are added to the list. Every month many changes of address are made. And every month, unfortunately, some cancellations are made because I do not know your new address.

Here is a list of cancellations for September:

|                     |                   |
|---------------------|-------------------|
| Andrew Anderson     | Kris Kristensen   |
| Mrs. W. E. Bachmann | Dolores Nelson    |
| Lloyd Berg          | Eric Nielsen      |
| John E. Buckley     | Lennart Petersson |
| Gerald Zurmely      | L. Magnusson      |
| R. N. Johnson       |                   |

Will you advise me of your new address? Just phone GA 47311 days or HO 6-1839 evenings. Thank you!

## Mr. and Mrs. Sumarlidason Show Films

On Sunday, September 15th President and Mrs. Gunnar Thorvaldson entertained members of the Icelandic Society at their home. The highlight of the afternoon was the showing of the slides taken by Mr. and Mrs. Henry Sumarlidason on their recent trip to Iceland.

The beautiful pictures and the most interesting narration given by Lil and Henry transported us all to Iceland. We all enjoyed seeing places and landmarks familiar from long ago to some but only heard of to many of us.

The slides showed the departure of our friends from their residence, their trip over the Rockies, on to Vancouver to board the huge plane in company with a hundred others bound for Iceland. The flight was by the Polar route and they had an unexpected stopover in Greenland.

Their many side trips and visits to places of interest were so expertly filmed and commented on that we all felt that we were there. One of the highlights of this trip was a visit to the home of President and Mrs. Asgeirson. This was made more pleasant by the kind comments of the host on their visit to Edmonton. In the library of this beautiful home, on the President's desk sits the gift presented to him on that memorable night at the Macdonald Hotel.

Lil and Henry said they had kept us all in mind when they were taking their pictures and this was certainly evident. The beautiful churches, the lovely homes, the happy people, the rugged mountains, and all the sights such as boats laden with fish the hot springs and the indescribable beauty of the midnight sun, gave us all a new perspective on Iceland.

A large map helped to show just where the tour went. The return trip to Vancouver and the motor trip over Rogers Pass brought the tour to an end back at the Sumarlidason residence.

## Arctic Rock To Mark Stefansson's Grave

OTTAWA (CP) — A dark grey-green rock weighing more than a ton has been flown out of the Canadian Arctic for use as the headstone on the grave of explorer Vilhjalmur Stefansson.

The huge rock was found on Ellef Ringnes Island, some 1,000 miles from the North Pole, by members of the federal polar continental shelf project.

It was placed aboard a four-motored transport aircraft and flown 2,000 miles to Calgary. The rock now is aboard a train headed for Hanover, N.H., where the famed Arctic explorer is buried.

Members of the polar shelf project found the rock at Reindeer Cape on Ellef Ringnes Island, near a point where Stefansson camped in 1917 during one of his Arctic expeditions.

It had been hoped that a suitable rock would be found on one of the six Arctic islands discovered by the Manitoba-born explorer in 1915-16 and claimed by him in the name of Canada.

# Scandinavian Design Cavalcade . . . .

A September trip to Europe must include the Scandinavian Design Cavalcade — an unparalleled month-long feast of modern design.

For the traveler interested in home furnishings here is the latest in Scandinavian skill and taste — contemporary silver, glass, steel-ware, lamps, furniture, pottery, and fabrics.

In Denmark, Sweden, Norway, and Finland September visitors will find special exhibits at museums and shops, visits to famous work-shops, and behind the scenes con-versations with leading designers. Equally important, one can acquire the very latest in Scandinavian home furnishings which have not made their way to the states yet — and at prices way below what they will eventually sell for here.

Because the Scandinavian cap-itals art so close together — each one hour from the other by SAS jet — travelers can easily sample the special design event of all four countries. For those who would like to take in a full 21 days, SAS is offering a Scandinavian Design Tour, which hits the highlighits in the four countries.

Emphasis at the Ninth Design Cavalcade is on Scandinavian Modern — that matchless ability of Scandinavian designers to endow household articles with that certain exquisite beauty and exciting, good taste.

In Copenhagen main attention will be focused on the annual exhibit of Danish furniture sponsored by the Copenhagen Cabinet Makers Guild, late in September. More of Denmark's advanced design skills will be on view at the Danish Society of Arts and Crafts Exhibit at the Royal Academy of Fine Arts. Also on tap throughout the city are craft films and tours taking visitors behind the scenes to silver and furniture workshops.

In Stockholm, the Swedish De-sign Center will display its best designed glass, ceramics and tex-tiles. A special showing in the centrally located Kungstradgarden Park will have a unique crafts exhibit in an outdoor setting.

Oslo's center of display will be the National Society of Norwegian Arts and Crafts and Industrial De-sign at the Artist House, August 23 to September 15. A bounty of purchases will be available at the Forum, a permanent exhibit spon-sored by the Oslo Crafts and In-dustrial Association. Excursions can also be made to rural colony workshops where some of Norway's best designs were born.

Finland's exhibition of her latest furniture, lighting fixtures, ceramics, fabrics and rugs is being staged at the Finnish Design Center in Helsinki. Stockmann's department store will also have a special dis-play of Finnish ceramics and crystal.

Further information on the Scand-inavian Design Cavalcade and tour itineraries, is available through SAS District Offices and Travel Agents.

# DANIA DOINGS

Dania's annual event "Fugleskyd-ning" took place as scheduled on Sunday, August 25th. Despite the bad weather to start the day, quite a number of people turned out and had a good time after all. Follow-ing are the winners of the com-petition: Mr. Bent Jensen, Left Wing and Beak Plate, Mr. Erling Soren-son, Right Wing, Mr. Henning Petersen, Tail Plate. When shoot-ing at the Breast Plate Mr. Hen-ning Petersen again proved himself and became Bird King for 1963. Congratulations.

The target shoot for the ladies was won by Mrs. Tove Petersen and for the men, Mr. Harold Petersen was the lucky one. The door prize was won by Mr. Leif Andersen and the Nail Contest by Mrs. Vera Nielsen. All in all it turned out to be a good day for those few who dared to venture out, and we hope that we will see many more next year for this annual event.

"BIKUBEN" will meet the third Monday of the month, namely October 21st, and we hope everyone will turn out. The September meet-ing was poorly attended because it was the 16th and people don't think it can be the third Monday at that early date. So please take notice, October 21st is the date,

and please come.

October 18th will be the date to remember for our banquet and dance at the South Side Legion Hall. We will soon have the tickets ready, so please get yours early; the last day to purchase tickets for this will be October 14th. The banquet will consist of Mrs. Else Lindbergs "Store Kolde Bord"; do we need to say more? Hope to see you all, and appeal to you to co-operate and buy your tickets not later than Monday, October 14th. Phone the President Jens Godber-sen at HO 9-3658 - Kaj Hansen, 599-7837 - Vera Nielsen, GE 9-0506 - Poul B. Larsen, 439-7429 - Carl Quitzau HU 8-2725.

The Danish Young Women's Club wish to remind everyone of their Bazaar to be held on Friday, Sep-tember 27th, at 8:00 p.m. at Ansgar Church.

We wish to extend our deepest sympathy to Mrs. Svend Hansen and her son, Stanley Hansen, on the loss of their husband and father. Also our sincere sympathy to Mr. Erik Hansen on his bereavement in the loss of his beloved wife, Alice.

## A Tour Of Europe . . .

Mr. Joe Johnson, Sherwood Park Senior Citizens Lodge, has returned from a three month tour of England and the Continent.

Travelling by boat from Montreal, Mr. Johnson disembarked in Dublin, Ireland. A bus strike there handicapped travelling a bit so he continued on to the continent.

There he visited "beautiful, beautiful" Copenhagen and enjoyed the wonderful hospitality of our Danish friends. Mr. Johnson was much impressed with the Tivoli, a entertainment centre for young and old, rich and poor alike. Covering 23 acres, it has everything to make a visit happy and gay, including 154 musicians, rides and entertainment of every sort and at night 85,000 colored lights.

In Berlin Mr. Johnson visited the British Cemetery, this being his main mission in Europe. He found West Berlin a beautiful thriving city and a sharp contrast to the utter heartbreaking desolation of East Berlin viewed from the infamous wall.

On a happier note he thoroughly enjoyed Brussels, and Amsterdam, found Paris strictly for the French, and spent many days travelling through the lovely English countryside. He visited many old English towns, saw old castles and abbeys steeped in ancient history. Journeyed into Scotland and stayed in Edinburgh and Glasgow.

And what did he like best of all? Dear old London town with Buckingham Palace, Petticoat Lane and Big Ben. Dear old London town where there is so much to see, hear and enjoy. Mr. Johnson took many pictures of his trip and we hope to see them at one of our future meetings.

## Buford Lodge Meets At Pigeon Lake

The August meeting of Buford Lodge No. 577 was held at Skandia Inn, Pigeon Lake, with a fair attendance.

Three visitors were present, including our District Master, Sister M. Eliasson, who spoke on the Youth Tour to Sweden planned for 1964. A wide discussion and question period followed, showing keen interest among the members in general.

The members wish to thank Skandia Lodge for being so generous in allowing us to use Skandia Inn, their summer cottage, for the two summer meetings.

The next meeting will be held at Willow Creek Community Centre.

Members of Buford Junior Lodge held their first meeting of the season on September 18th.

A new slate of officers was elected:

President, Grant Nystrom; Vice-President, Jimmy Erickson; Secretary, Maureen Modin; Treasurer, Jo Ann Markstedt; Guard, David Pearson; Chaplain, Lori Nystrom; and Master of Ceremonies, Darrell Ecklund.

The Children's leader, Floyd Modin, has again begun giving lessons in Swedish to the members.

## FINNISH HI-LITES

This is to remind you of the 10th Anniversary celebration of the Finnish Society which will be held at the Devlin Cafe's banquet room on October 5th. A smorgasbord supper will start the evening at 7 o'clock and will be followed by a short program. Dancing will begin at 10 p.m. If you have not already purchased your tickets you may do so at the door.

The first sewing-circle this season will be held at the home of

Mr. and Mrs. V. Rastas, 12038 - 45 Street, on October 23. Everyone is cordially invited.

Many thanks to the ladies who helped serve coffee at the Scandinavian Builder's Ball, held on September 28th.

Best wishes to Mr. and Mrs. Haikarainen who recently moved into their new home.

Miss Ulla Vesalainen spent a very enjoyable weekend in Banff.

Mr. V. Nuojuva, from Dawson Creek, was in Edmonton for a few days before leaving for Finland.

Misses Sirkka Saarinen and Sirkka Pykalainen also left for Finland recently.

Congratulations to Mr. and Mrs. O. Salo who are the proud parents of a son, Brian.

Good luck to all enthusiastic hunters who are taking advantage of the hunting season.

## Meet The Danish Craftsmen

The Scandinavian countries present their ninth annual Design Cavalcade in September 1963. Exhibitions of the latest and best products from workshops and factories will be on display all over Finland, Norway, Sweden and Denmark, and many of these concerns will open their doors for foreign guests during the Cavalcade period.

For Denmark, furniture will be a main contribution to the programme, particularly at the famed Copenhagen Cabinet Makers Guild exhibition. But many other crafts are worth noting in Denmark's production; a dominant characteristic of Danish handicrafts is the retention of the craftsman as the central figure of production, even in highly mechanised concerns. This factor is one of the main causes of the high level achieved in Danish products.

Welcome to Denmark and to Scandinavian Design Cavalcade in September.

## ICELANDIC NOTES

Happy Birthday wishes from us all to Mr. Wm. Anderson, October 27th, and Mrs. F. Frederickson, also October 27th.

Mr. Don Shaw had the misfortune to fracture his foot and will spend six weeks with it in a cast. He is now able to get about and has returned to work. No, we have it on good authority that he was not kicking at Mickey and missed.

### Correction

Your correspondent humbly accepts "ten lashes with a piece of wet spaghetti" for a real boo-boo in last month's News. We described Deanne Kristin Halldorson, our Queen Candidate for United Nations Week, as "blonde and so pretty." This is half wrong because Deanne, of course, has lovely black hair. So we retract the "blonde" but stand firm on the rest of our statement. Sorry Deanne. We suggested that maybe you would like to be blonde for a while but Mother said a most emphatic "NO."

A recent visitor at the residence of Mr. and Mrs. Don Shaw was Mrs. Dodi Helgason from Gimli. Mrs. Helgason was on her way to Fort McMurray to spend a holiday with her son and daughter-in-law Mr. and Mrs. Arnold Helgason.

While here she also visited with Mr. and Mrs. Restricks, Mr. and Mrs. Innis-Taylor and Mr. Isfeld.

Mr. and Mrs. Eggert Borgford motored up from Calgary to spend the Labor Day weekend with Don and Mickey Shaw and family.

Miss Pat Halldorson celebrated her sixteenth birthday recently at a wonderful surprise party given by fourteen young friends.

Mr. and Mrs. H. England of Winnipeg were recent visitors in our fair city. They spent a few days at the home of Mr. and Mrs. Gunnar Thorvaldson.

### Coupons, Coupons, Coupons!

Our objective, a brand new coffee urn, is almost in sight. All your Nabob Coffee coupons would be most kindly received, be it one, five, a hundred or a pailful. Just send them to Mrs. G. Thorvaldson, 6012 - 101A Avenue.

If you have not already done so, do it now — go to the calendar and put a large circle around Saturday, October 19th. This is the date of the first dance of the season. It will be at the Mocombo and the music will be lively and gay. So make up your party and get your tickets from anyone on the executive. See you all there, we hope.
